

**God Reconciles**

**2 Corinthians 5:16-21**

**Pete Williams**

The Gospel shows us that God reconciles. We are to build our lives on this truth so that God can speak hope and peace to those around us.

**Group Questions**

Do you reflect on the Gospel often if so where, when and how?

The Gospel influences the way we see God. What characteristics of God's nature does the Gospel bring to mind? E.g. Mercy, Justice, humility etc

Applying the Gospel truth to our lives: how do you remind yourself about the truth of who you are in Christ? Share ideas about how you can help one another with this.

Do you have a regular time and context where you can reflect on how you are reacting to situations in life to see where you most need to hold on to the truth of the Gospel?

If appropriate some people might want to share where they are aware that they need to hold onto the truth of the Gospel so that you can pray for them in your group.
