

Vision Sunday – Incomparable Goodness

Exodus 33:18-19 / Nehemiah 1:4

Gareth McCormick

Revelation of God's perfect goodness is the source of our courage and of our vision for the extension of His Kingdom here on earth.

Group Questions

1 – Our Vision statement starts out with: “The Family of God...” – Can you identify any ways in which you could enhance your family connection with other members of the church? Can you identify any ‘road-blocks’ to your connection with CCBS?

2 – Our Vision statement continues with: “...in the Presence of God...” – Moses was crystal clear that he didn't want to take a single step without God's Presence. Imagine the presence of God in the form of a dove on your shoulder (just like at Jesus' baptism). How would your day-to-day life differ if you lived so as to preserve and encourage the presence of the dove?

3 – The final part of our Vision statement is: “...Displaying the Glory of God.” – God's glory IS His goodness. CCBS is a really good church – but there is a revelation of the goodness of God that will cause us to drop to our knees, lost in wonder, love, and praise. Ask yourself what it would look like in your own situation for God's goodness to go on display. Allow this to shape your prayers together for His Kingdom to come in increasing measure!
