Ephesians 3.14-21

Peter Vincent

In this this message Peter refreshes our vision, shows why culture really counts and paints a picture of the cultures we're going for in CCBS.

1. We're called to be the Family of God in the Presence of God Displaying the Glory of God. We Display the Glory of God through transformed lives (Isaiah 61.1-3) and a transformed church (Isaiah 60.21-22)
2. The culture we're in impacts our growth and fruitfulness significantly.
3. We have identified 5 cultures we want to foster in CCBS, all of which are rooted in the character of God Himself and reflected in the life of Jesus.

Honour Authenticity Passion Generosity Courage.
