

Kingdom Declaration #1

Hope

I embrace a worldview of hope that confidently expects good things to happen because our God is always good.

Kingdom Declaration #2 Restoration

I embrace a worldview of restoration for people, environments, cities, cultures, and nations because Jesus' Kingdom will have increasing dominion over the whole earth.

Kingdom Declaration #3 Goodness

Irrespective of presenting circumstances I embrace a worldview which upholds the absolute and unwavering goodness of God, for Jesus has demonstrated and defined for all time what true goodness looks like.

Kingdom Declaration #4

Mystery

I will allow room for mystery in my life. I acknowledge that what I do not understand can undermine what Jesus has revealed to me. God works out all things for my good in the end.

If it's not good, then it's not the end!

Kingdom Declaration #5 Celebration

I embrace a worldview of celebration and thankfulness and refuse to allow the pessimistic spirit of this age to steer my heart or rob me of my joy. I feed my soul on good news because what I behold I will become.

Kingdom Declaration #6 **Victory**

I daily choose to live from my secure position as a royal child of the King & will not embrace a world-view that re-empowers a disempowered devil. Jesus has already won the perfect all-time victory! I live on the offensive, not the defensive because I carry the Kingdom of my victorious Saviour!
