

Repentance Redefined

Transformed – Change the way you think!

Romans 12:1 & 2

Gareth McCormick

Summary

To fully inherit the freedom that Christ has won for us we must transform our thinking to align with truth – not just believing in Jesus, but believing like Him.

Group Questions

1. Repentance is the aggressive rejection of old destructive and limiting patterns of thought followed by the active embracing of God's life-giving freedom-infused truth.
 - a. What do you think are some of the most commonly believed / tolerated lies that Christians live with today?
 - b. For each lie that you have identified can you also identify biblical truth that contradicts the lie?

2. We considered the following declaration based upon what we can read in the book of Acts...

"I expect to have powerful divine appointments to heal the sick, raise the dead, prophesy life, lead people to Christ, bring deliverance, release signs and wonders and everyone I meet will taste and see that the Lord is good."

Can you personally whole-heartedly agree with this statement of truth?

Why? or Why not?
